

Summary of Modifications to SMART in Version 10.1
April 09 Release – Release Date 5/15/2009

These two tables summarize the major changes for users in SMART Version 10.1.

There are several changes in the new version to provide greater functionality to the user, as summarized below.

Module Affected	Description
Court Monitoring	SMART now allows multiple 8-505 Evaluations for each episode of care.
Court Monitoring	SMART now allows multiple 8-507 Treatment Placements for each episode of care.
Drug Testing	SMART now records the deletion of a drug test, and documents all of the information for the deleted test, on the Client History log. This log is part of the Client Profile.

There is a change which corrects an issue in SMART, as detailed below.

Module Affected	Description
Community Service	SMART will now allow a user to see Community Service hours in another agency, as long as appropriate consent is in place.
