Summary of Modifications to SMART in Version 10.4.1
Release Date –August 12, 2009

This table summarizes the major changes for users in SMART Version 10.4.1.

One module changes in the new version to provide greater functionality to the user, as summarized below.

Module Affected	Description
BSAS Scheduler	This version corrects a known issue with the Scheduler Program, used by BSAS.

There is one new module which provides a new feature, as detailed below.

New Module	Description
DJS Needs Assessment	This module, developed for Department of Juvenile Services (DJS), provides a needs assessment tool in SMART for juveniles. This module is intended ONLY for use by authorized users at DJS, as it requires installation of additional software.
