

**UMD INSTITUTE FOR GOVERNMENTAL SERVICE AND RESEARCH**

TITLE:	Research Associate (RA)
CATEGORY:	Full-time temporary non-tenured faculty (40 hours per week), 12-month appointment
SALARY:	Commensurate with qualifications and experience
RESPONSIBILITIES:	As members of an interdisciplinary team, research associates are involved in the acquisition, conduct, analysis, reporting, and dissemination of research and technical assistance projects designed to inform policy and improve the lives of Maryland's residents. Projects are funded by government and non-profit agencies in areas such as health policy, justice (including problem-solving courts and corrections), sustainability, community development, survey research, and strategic planning. The successful applicant will be interested in developing and advancing a program of research related to the public service mission of the Institute for Governmental Service and Research (IGSR), which is in the Division of Research.
BENEFITS:	The University of Maryland offers an extensive benefits package including health insurance, retirement, paid time off, and tuition remission.
MINIMUM QUALIFICATIONS:	Doctoral degree in public policy or administration, behavioral or social science, evaluation or quantitative methods. Good oral, written, and interpersonal skills plus proficiency using PC, MS-Office applications, and data analysis programs.
APPLICATIONS:	Please send resume, letter of interest, and names and telephone numbers of three professional references to <a href="mailto:igsr@umd.edu">igsr@umd.edu</a> , with subject "RA position." Questions can be directed to Dr. Richard Engstrom, IGSR Associate Director at <a href="mailto:rengstro@umd.edu">rengstro@umd.edu</a> .

The University of Maryland is an equal opportunity affirmative action employer.  
Minority and women candidates are encouraged to apply.
