SSRS Reports for Maryland Problem Solving Courts - 2011
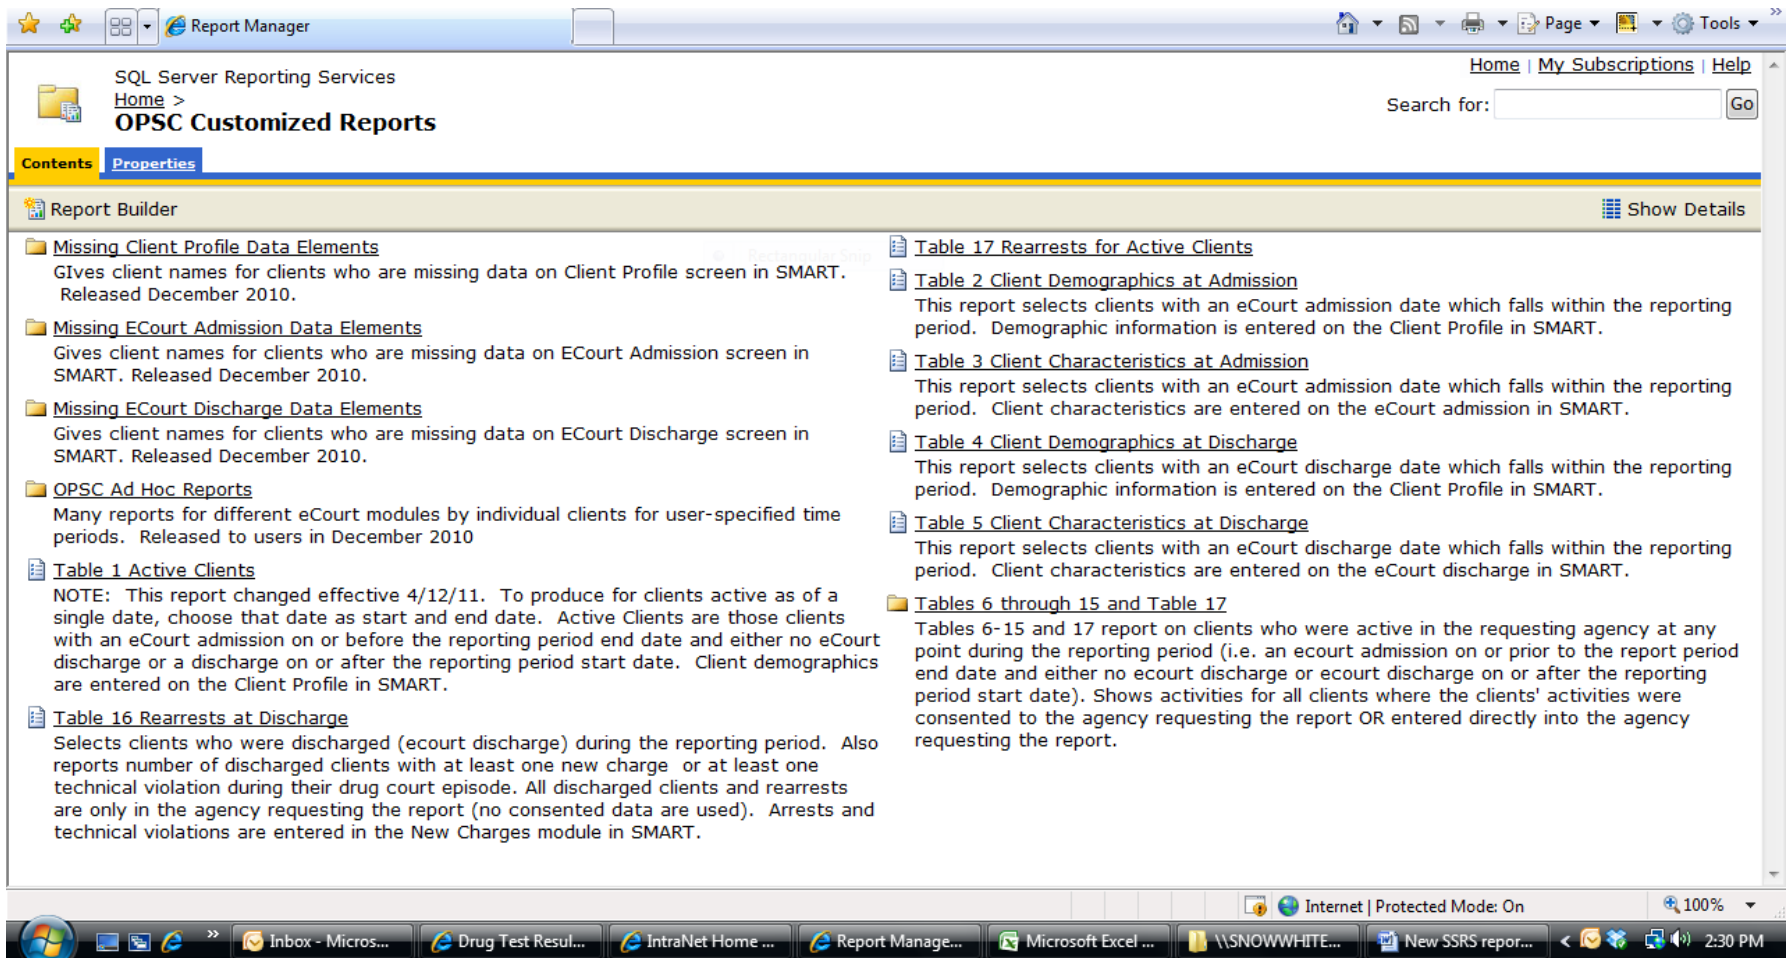

As of 4/1/11, there are 29 reports available for drug courts in the IGSR Report Site. https://reports.igsr.umd.edu/reports The two tables (below) list and provide brief descriptions of each of these reports.

The Report Site holds all SMART data but is only current through the previous day. SMART data are copied to the Report Site every evening. Any changes you make in SMART will be visible in reports the following day.

Please contact Janet Bridgers at jbridger@umd.edu if you can't view these reports.
